Dear [Recipient's Name],

Subject: Sibling Rights Regarding Estate

I hope this letter finds you well. I am writing to formally address the matter concerning our late [relation, e.g., parent, sibling] [Name], whose estate is currently being settled.

As a sibling and rightful heir, I would like to express my concerns regarding [specific issues, e.g., distribution of assets, lack of communication, etc.]. It is important for us to ensure that all aspects of the estate are being handled fairly and transparently.

I believe that we should [propose a solution or a meeting to discuss the distribution of the estate]. This will allow us to ensure that everyone's rights are respected and that we can come to an amicable agreement moving forward.

Please let me know your availability for a meeting or if there are any documents that I should review. I appreciate your attention to this matter and look forward to resolving it together.

Thank you for your understanding.

Sincerely,
[Your Name]
