Dear [Recipient Name],

I hope this letter finds you well.

I am writing to formally request an upgrade to the existing CCTV system at [location/department]. Over the past few months, we have observed [specific issues or concerns with the current system, e.g., limitations in coverage, poor image quality, outdated technology].

To enhance security and ensure the safety of our employees and property, I propose the following upgrades:

1. [Upgrade suggestion 1, e.g., installation of high-definition cameras]
2. [Upgrade suggestion 2, e.g., addition of night vision capabilities]
3. [Upgrade suggestion 3, e.g., integration with remote monitoring systems]

I believe these enhancements will provide significant benefits, including [list benefits, e.g., improved surveillance capabilities, better incident response]. Furthermore, I have researched several options and received initial quotes, which indicate that the investment would return value through [mention any anticipated outcomes, like reduced security incidents].

I would appreciate the opportunity to discuss this proposal further and explore potential solutions. Thank you for considering my request. I look forward to your response.

Sincerely,
