Dear [Recipient Name],

I hope this message finds you well. I am writing to request an update on the current status of the DDoS protection measures that were discussed in our previous meetings.

As we are aware, ensuring robust protection against potential DDoS attacks is crucial for maintaining the integrity of our services and safeguarding our clients' data.

Could you please provide an update on the implementation progress, any challenges encountered, and the expected timeline for completion? This information will be helpful as we continue to prepare for potential threats in our infrastructure.

Thank you for your attention to this matter. I look forward to your prompt response.

Best regards,
