Dear [Recipient Name],

Subject: Paternity DNA Test Results

I hope this letter finds you well. I am writing to you regarding the results of the paternity DNA test conducted on [date of the test].

The laboratory has completed the analysis and confirmed the results.

According to the findings:

- [Provide the result: e.g., "The testing indicates a 99.9% probability of paternity between the tested individual (Father) and the child (Child's Name)."]

OR

- [Provide the result: e.g., "The results indicate that the tested individual (Father) is not the biological father of the child (Child's Name)."]

Please feel free to reach out if you have any questions or require further clarification on the results.

Thank you for your cooperation during this process.

Sincerely,

[Your Signature (if sending a hard copy)]
