Dear [Recipient Name],

Subject: Genetic Testing Outcomes

I hope this letter finds you in good health. I am writing to provide you with the outcomes of my recent genetic testing conducted on [date of testing] through [name of laboratory or institution].

The results indicated [briefly summarize the key findings, e.g., positive for a specific genetic marker, no significant variants detected, etc.].

[If applicable, include any relevant details regarding the implications of the findings, e.g., risk factors for specific conditions, recommendations for further testing, etc.].

Based on these results, it is recommended that [provide any recommendations from the testing, such as lifestyle changes, follow-up testing, or consultations with specialists].

Please feel free to contact me should you require further information or clarification regarding the test results. Thank you for your continued support in my health journey.

Sincerely,

[Your Name]
