Dear [Recipient's Name],

I hope this letter finds you well. I am writing to follow up on the DNA test results I received on [date of receipt of results]. I appreciate the comprehensive report provided, but I have some questions and would like to discuss the findings in more detail.

Specifically, I would like to clarify:

1. [Specific question or concern #1]
2. [Specific question or concern #2]
3. [Specific question or concern #3]

Please let me know a convenient time for us to discuss this, or if there is additional documentation or information you could provide that would help clarify these points.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,
[Your Name]
