Dear [Recipient's Name],

I hope this letter finds you well. I am writing to share the results of the recent DNA test we conducted.

According to the findings:

- [Result 1: Brief description]
- [Result 2: Brief description]
- [Result 3: Brief description]

These results may have implications for [mention any relevant context, such as family relationships, health insights, etc.]. Please feel free to reach out if you would like to discuss the results further or if you have any questions.

Thank you for your patience during this process.

Best regards,
