Dear [Recipient's Name],

Subject: Hair Dye Instructions

I hope this letter finds you well. Below are the detailed instructions for applying hair dye effectively at home. Please follow these steps carefully to achieve the best results.

****Materials Needed:****

1. Hair dye kit (includes dye, developer, and gloves)
2. Plastic bowl and applicator brush
3. Sectioning clips
4. Old towel or cape
5. Timer
6. Comb
7. Shampoo and conditioner (sulfate-free recommended)

****Preparation:****

1. Perform a patch test 48 hours before application to check for allergic reactions.
2. Wear an old shirt and cover your shoulders with a towel or cape.
3. Gather all materials in a well-ventilated area.

****Application Steps:****

1. ****Section Your Hair:**** Divide your hair into four equal sections using clips for easier application.
2. ****Mix the Dye:**** In a plastic bowl, mix the dye and developer according to the instructions included in your dye kit.
3. ****Put on Gloves:**** Ensure you wear gloves to avoid staining your hands.
4. ****Apply the Dye:**** Start applying the dye from the roots and work your way down to the ends, using the applicator brush. Ensure even coverage.
5. ****Set the Timer:**** Once the dye is applied, set the timer for the recommended duration (usually 30-45 minutes).

****Aftercare:****

1. Rinse your hair thoroughly with lukewarm water until the water runs clear.
2. Shampoo and condition your hair using products designed for color-treated hair.
3. Avoid washing your hair for 72 hours to allow the color to set properly.

If you have any questions or need further assistance, feel free to contact me. I hope you enjoy your new hair color!

Best regards,
