

****Template Example: Spray Paint Letter Design****

****Materials Needed:****

- Spray paint (various colors)
- Cardboard or sturdy paper
- Stencil letters (can be cut out from paper or purchased)
- Masking tape
- Protective mask and gloves
- Drop cloth or old newspaper

****Steps:****

1. ****Preparation:****

- Lay down a drop cloth or old newspaper to protect the work area.
- Choose your colors of spray paint.

2. ****Create Stencil:****

- Use cardboard or sturdy paper to create stencil letters or purchase pre-made stencils.

- Ensure letters are an appropriate size for your project.

3. ****Secure Stencil:****

- Position the stencil on your desired surface.
- Use masking tape to secure the stencil in place, ensuring no paint leaks.

4. ****Spray Painting:****

- Shake the spray paint can well before use.
- Hold the spray can about 6-12 inches away from the stencil.
- Apply a light, even coat of spray paint over the stencil.
- Avoid over-spraying to prevent drips.

5. ****Drying:****

- Allow the paint to dry completely before removing the stencil.
- If needed, apply a second coat for more vibrant colors.

6. ****Finishing Touch:****

- Carefully remove the stencil once dry.
- Touch up any areas as needed with a fine brush.

7. ****Display:****

- Allow the finished letters to cure for 24 hours before displaying.
- Enjoy your newly designed spray paint letters!

****Design Idea:****

- Create a gradient effect using two or more colors by spraying them in layers.
- Use contrasting colors for a bold look or metallic shades for a modern touch.
