

Subject: Price Negotiation for [Item Name/ID]

Dear [Seller's Name],

I hope this message finds you well. I recently came across your listing for [item name] and am very interested in purchasing it. However, I was wondering if you might consider negotiating the price a bit.

The current listed price of [insert price] is a bit above my budget, and I would like to offer [insert your offer]. I believe this amount reflects the current market value and condition of the item.

I appreciate your consideration and look forward to your response.

Thank you!

Best regards,
