Dear [Teacher's Name],

I hope this letter finds you well. I am writing to express my heartfelt gratitude for the support and guidance you have provided in my English studies this year.

[Insert a specific example of how the teacher has helped you or a memorable experience in class.]

Your passion for teaching and dedication to your students is truly inspiring. I have learned so much from you, not just about English, but also about critical thinking and expressing myself clearly.

Thank you once again for your encouragement and patience. I am looking forward to applying what I have learned in the years to come.

Sincerely,
[Your Name]
