Dear [Recipient's Name],

Subject: Clarification Needed Regarding EKG Test

I hope this message finds you well. I am writing to seek clarification regarding the EKG test that I recently underwent on [date of the test]. I would like to understand the results and any necessary follow-up actions. Specific questions I have include:

1. What do the results indicate in terms of my heart health?
2. Are there any recommended lifestyle changes or treatments based on the findings?
3. When should I schedule a follow-up appointment to discuss this in more detail?

Thank you for your attention to this matter. I appreciate your assistance in helping me understand my health better.

Sincerely,
[Your Name]
