Dear [Recipient Name],

I hope this message finds you well. I am writing to discuss the results of my recent EKG test conducted on [date of the test].

After reviewing the results, I have some questions and concerns regarding the findings. I would appreciate it if we could schedule a time to discuss the implications of these results and any necessary follow-up steps.

Thank you for your attention to this matter. I look forward to hearing from you soon.

Sincerely,  
[Your Name]
