Dear [Doctor's Name],

I hope this message finds you well. I am writing to follow up on the results of my recent EKG that was conducted on [date of EKG]. I understand that you may be busy, but I would appreciate any updates regarding my report.

As you know, I have been experiencing [briefly describe symptoms or concerns], and understanding the results of the EKG is important for determining the next steps in my care. If there are any specific findings or recommendations that you can share, I would greatly appreciate it. Additionally, if a follow-up appointment is necessary to discuss these results in detail, please let me know your availability so we can schedule a convenient time.

Thank you for your attention to this matter. I look forward to your prompt response.

Best regards,
