Dear [Doctor's Name],

I hope this letter finds you well. I am writing to discuss my recent EKG report dated [Date of EKG]. The findings indicated some abnormalities, and I would like to request further clarification regarding what these results mean for my health.

Specifically, I would appreciate more information on:

- The nature of the abnormalities detected
- Any potential symptoms I should monitor
- Recommended next steps or additional tests

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,  
[Your Name]
