Dear [Patient's Name],

Subject: EKG Interpretation Results

I hope this message finds you well. I am writing to share the results of your recent electrocardiogram (EKG) conducted on [Date of EKG].

The findings indicate:

- [Brief description of findings, e.g., "normal sinus rhythm", "evidence of left ventricular hypertrophy", etc.]
- [Additional notes or observations, if applicable]
- [Recommendation for further testing or follow-up, if necessary]

Based on these results, I would recommend [recommendations for treatment or further evaluation, if needed]. Please do not hesitate to contact my office at [phone number] if you have any questions or require further clarification regarding these results.

Thank you for entrusting your health to us. We look forward to assisting you in your care.

Best regards,
