Dear [Child's Name],

I hope this letter finds you excited and ready for some fun activities! I wanted to share a special idea to celebrate this season of Epiphany together.

**\*\*Activity: Starry Night Scavenger Hunt\*\***

- **\*\*Objective:\*\*** Explore the beauty of the night sky and find hidden "stars" around our yard or home.

- **\*\*Materials Needed:\*\***

- Small star cutouts (you can decorate them!)
- Flashlights for a night adventure
- A prize for the winner!

**\*\*Instructions:\*\***

1. Hide the star cutouts around the area.
2. Grab your flashlight and start the hunt.
3. Count how many stars you can find - and don't forget to use your imagination about what each star represents!

**\*\*Bonus Activity: Creation of a Star Crown\*\***

- **\*\*What You Need:\*\*** Craft paper, scissors, glue, and decorations (stickers, glitter, etc.).

- **\*\*Instructions:\*\***

1. Cut out a star shape from the craft paper.
2. Decorate your star with stickers and glitter.
3. Attach it to a band of paper to wear as your very own crown!

Let's schedule a time to do these activities together. I can't wait to share all these magical moments with you!

With love,

[Your Name]
