Subject: Ethical Hacking Compliance Letter
Dear [Recipient Name],
I am writing to confirm our compliance with ethical hacking practices as part of our ongoing commitment to cybersecurity and data protection.
As part of our ethical hacking program, we have taken the following measures:
1. **Scope of Engagement**: All penetration testing activities have been confined to the agreed-upon scope defined in our engagement letter dated [Insert Date].
2. **Authorization**: We have received explicit authorization from [Company Name or relevant authority], ensuring that all tests are conducted legally and ethically.
3. **Confidentiality**: All data obtained during our testing will be treated with the utmost confidentiality and will only be used for the purpose of improving our security posture.
4. **Reporting**: A comprehensive report has been prepared detailing our findings, vulnerabilities identified, and recommended remediation steps.
5. **Compliance with Standards**: Our methods align with industry standards and frameworks such as OWASP and NIST, ensuring best practices are adhered to.
Should you have any questions or require further clarification regarding our ethical hacking practices or findings, please do not hesitate to reach out.
Thank you for your attention to this matter.
Sincerely,
[Your Name]
