Dear [Employer's Name],

I am writing to express my interest in the Ethical Hacker position at [Company's Name] as advertised on [where you found the job posting]. With a [Your Degree] in [Your Field] and [X years] of hands-on experience in information security, I am excited about the opportunity to contribute to your team and help safeguard sensitive data from cyber threats.

In my previous role at [Your Previous Company], I successfully conducted penetration testing, vulnerability assessments, and security audits. My efforts led to a [X%] reduction in security breaches and improved overall system integrity. I am proficient in various programming languages and security tools, including [list relevant tools or technologies], which allows me to identify and exploit vulnerabilities effectively.

I am particularly drawn to this position at [Company's Name] because of [specific reason related to the company or its projects], and I am eager to bring my skills in ethical hacking and cybersecurity to your esteemed organization. I am dedicated to staying current with evolving technologies and threat landscapes to ensure that I can provide the best defense strategies.

I have attached my resume for your review, and I would greatly appreciate the opportunity to discuss how my background, skills, and enthusiasms align with the goals of [Company's Name]. Thank you for considering my application. I look forward to the possibility of contributing to your team.

Sincerely,
[Your Name]
