Dear [Friend's Name],

I hope this letter finds you in great spirits! I've been thinking about our last conversation and how much I enjoyed it. It's always refreshing to connect with someone who shares similar interests.

I recently created a profile on [Social Media Platform] and would love to stay connected there too! It would be wonderful to share updates, photos, and maybe even chat about our favorite topics. You can find me at [Your Profile Link].

Looking forward to seeing your updates and connecting on that platform!

Warm regards,
