Dear [Recipient's Name],
Happy Birthday!

I hope this special day is filled with joy, laughter, and all the things you love. To celebrate your birthday, I would like to present you with a delicious cake made just for you.

[Optional: Mention the cake flavor or design, e.g., "I baked a rich chocolate cake with vanilla frosting, topped with sprinkles!"]

I hope you enjoy every bite and that it adds a little sweetness to your day. Let's celebrate together soon!

Wishing you a year ahead filled with love and happiness.
