Dear [Recipient's Name],

Surprise!

I hope this letter finds you in the sweetest of moods! I couldn't resist adding a sprinkle of fun to your day, just like a delicious layer of frosting on a cake!

Guess what? There's a delightful treat waiting just for you! It's a [insert cake flavor] cake, baked with love and a dash of laughter. I added a secret ingredient -- a sprinkle of joy straight from my heart! Imagine the soft, fluffy layers, the creamy frosting, and maybe even a few sprinkles of magic on top. I can already picture your face lighting up with every bite!

So, let's not wait! Grab your fork and get ready to celebrate the yummy moments of life. After all, cake is not just dessert; it's happiness served on a plate!

Can't wait to share this sweet adventure with you!

With all my sugary love,
