Subject: FHSA Eligibility Confirmation

Dear [Recipient Name],

I am writing to confirm my eligibility for a First Home Savings Account (FHSA) as per the requirements outlined for prospective account holders.

I meet the following criteria:

- I am a resident of [Your Province/Territory], and I am at least 18 years old.

- I am a first-time home buyer, having not owned a home or held an interest in a home in the past.

- My total income does not exceed the income threshold established for FHSA participants.

- I intend to use the funds from the FHSA to purchase my first home within the designated timeframe.

Please let me know if you require any additional documentation to process my FHSA application.

Thank you for your attention to this matter.

Sincerely,

[Your Name]
