

Dear [Fan's Name],
Happy Birthday!

Today, we celebrate not just your special day, but your unwavering love for the world of Five Nights at Freddy's! Just like the brave souls who navigate the mysteries of Freddy Fazbear's Pizza, you've shown incredible courage and passion in everything you do.

I hope this year brings you as much excitement as a jump scare from Foxy and as much joy as finding that rare plushie of your favorite character. Remember, like the animatronics, you have a unique shine that makes you truly special.

Wishing you an epic birthday filled with cake as sweet as Freddy's favorite pizza and fun activities that rival a night at the pizzeria! May this year be your best level yet, full of unforgettable adventures and surprises.

Stay awesome and keep your flashlight handy!

Much love,
[Your Name]
