Dear [Friend's Name],

As you prepare to finish school and embark on your next adventure, I find myself filled with a mix of emotions. I wanted to take a moment to express just how much your friendship has meant to me over the years. From our late-night study sessions to the countless laughs and memories we created together, I will cherish every moment we've shared. You have been a source of support and inspiration, and I am so proud of everything you have accomplished.

While it's hard to say goodbye, I am excited for what lies ahead for you. I have no doubt that you will excel in all your future endeavors. Please keep in touch, and remember that distance will never change the bond we share.

Wishing you all the success and happiness that life has to offer. Go conquer the world!

With all my love,
