Dear [Friend's Name],

Congratulations on your graduation! This is such an incredible achievement, and I couldn't be prouder of you. I remember the countless late nights you spent studying, the frustrations along the way, and the determination you showed to reach this milestone.

As you step into this new chapter of your life, I want you to know how much you inspire me. Your hard work and passion have always been evident, and I have no doubt that you will continue to shine in whatever you choose to pursue.

I cherish all the memories we've created together during this journey--celebrating small victories, supporting each other through challenges, and sharing dreams about the future. I am excited to see where life takes you next.

Always remember that I'll be here cheering you on, and I believe in you wholeheartedly. Let's celebrate soon!

With all my love and support,
