Dear [Recipient's Name],

The presence of these pests has become increasingly problematic, as they [describe the issue, e.g., disrupt daily activities, pose health risks, etc.]. I believe this situation requires urgent attention to ensure a comfortable and safe environment for residents.

[If applicable, provide specific details about the severity of the issue, any attempts made to resolve it, or specific instances that highlight the problem.]

I kindly request that you take immediate action to address this situation, such as [suggest possible solutions or actions, e.g., an inspection, pest control measures, etc.].

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,
