Dear [Patient's Name],

I hope this message finds you well.

I am writing to inform you of the results regarding your recent Human Chorionic Gonadotropin (HCG) test conducted on [test date].

[Briefly explain the results, e.g., "The results indicate that your HCG levels are within normal range," or "Your HCG levels are elevated, which may suggest..."].

Based on these results, we recommend [provide any necessary follow-up actions or recommendations].

Please feel free to reach out if you have any questions or would like to discuss your results further.

Thank you for your attention to this matter.

Sincerely,

[Your Name]
