Dear [Recipient Name],

Subject: Letter of Clarification for HCG Test Outcomes

I hope this letter finds you well. I am writing to provide clarification regarding the outcomes of my recent HCG test conducted on [test date].

[Include a brief overview of the reason for the test, any relevant symptoms or conditions, and the specific results received.]

Upon reviewing the results, I would like to address the following points:

1. [Point 1: Explain any discrepancies or unusual findings.]
2. [Point 2: Provide additional context or medical history that could influence the interpretation of the results.]
3. [Point 3: Mention any subsequent tests, consultations, or actions taken since receiving the results.]

I appreciate your attention to this matter and would be grateful for any additional insights you may have regarding my test outcomes. Please let me know if further information is required or if a follow-up appointment is necessary.

Thank you for your understanding and support.

Sincerely,

[Your Signature (if sending a hard copy)]
