Dear [Recipient's Name],

Subject: Humanitarian Grounds for Immigration Application

I am writing to formally request consideration for humanitarian grounds for my immigration application to the United States. My situation is as follows:

[Briefly explain your background, including your country of origin, current circumstances, and any relevant personal history that necessitates your immigration on humanitarian grounds.]

[Detail any specific threats, persecution, or hardships you are facing in your home country, including dates, locations, and any pertinent supporting information or evidence.]

[Explain any efforts you have made to remedy your situation in your home country, such as seeking protection, applying for asylum, or other relevant actions.]

[Conclude by emphasizing why seeking refuge in the United States is critical for your safety and well-being, and express your willingness to provide any further documentation or information needed to facilitate your application.]

Thank you for considering my request. I am hopeful for a positive response to my application, as it could significantly impact my life's trajectory.

Sincerely,
