Dear [Recipient's Name],

I hope this letter finds you well. I am writing to formally express my desire for my parents, [Parent's Names], to immigrate to [Country] to join me.

[Explain your relationship with your parents and why their presence is important for you. Mention any relevant details about their current situation.]

Furthermore, I would like to highlight the positive impact their move will have on our family dynamics and my personal well-being. [Discuss any additional details that support their immigration application.]

I understand the immigration process can be complex, and I am willing to assist in any way necessary to facilitate their relocation.

Thank you for considering my request. I look forward to your positive response.

Warm regards,
