Dear [Recipient Name],

I hope this message finds you well. I am writing to express my concerns regarding the fairness of IQ testing and its implications for individuals from diverse backgrounds.

[Paragraph 1: State the specific concerns you have about IQ tests, including potential biases and their impact on varying demographics.]

[Paragraph 2: Provide examples or evidence that support your concerns, such as studies or personal experiences that highlight the inequities in testing.]

[Paragraph 3: Suggest possible solutions or alternatives to traditional IQ testing that promote fairness and inclusivity.]

Thank you for considering my perspective on this important issue. I believe that addressing these concerns is crucial for fostering equity in educational and psychological assessments.

Sincerely,
