Dear [Recipient's Name],

I hope this message finds you well. I am writing to formally request an IQ test, as I am interested in assessing my cognitive abilities and understanding my intellectual strengths.

Please provide information regarding the procedures, requirements, and any associated fees for taking the test. If possible, I would also appreciate any recommendations for preparatory resources or materials. Thank you for your attention to my request. I look forward to your prompt response.

Sincerely,
[Your Name]
