Dear [Recipient's Name],

I hope this letter finds you well. I am writing to express my interest in starting the Intrauterine Insemination (IUI) process. After our recent discussions and consultations, I feel prepared to take this important step in my journey toward parenthood.

Please let me know the next steps required, any additional information you may need from me, or if there are forms to complete. I look forward to your guidance throughout this process.

Thank you for your support and assistance.

Sincerely,

[Your Name]
