Dear Dr. [Doctor's Name],

I hope this letter finds you well. My name is [Your Name], and I am writing to express my interest in exploring in vitro fertilization (IVF) as a potential option for expanding my family.

After [briefly describe your fertility journey or challenges, e.g., "struggling with infertility for the past two years," or "being diagnosed with PCOS"], I believe that IVF may be the next step for us.

I would like to schedule a consultation to discuss my options further and learn more about the IVF process, including any necessary pre-treatment assessments, the timeline, and potential costs involved.

Thank you for your time and assistance. I look forward to hearing from you soon.

Sincerely,
[Your Name]
