Dear [Recipient Name],

Subject: Iwi Consultation for Environmental Assessment

We, [Your Iwi Name], wish to express our interest and concerns regarding the environmental assessment of [Project Name/Area]. As guardians of [specific natural resources or area], it is imperative that our views and traditional knowledge are integrated into the decision-making process.

Our key areas of concern include:

1. **\*\*Cultural Significance:\*\***

- Details about significant sites, traditional practices, and the impact on our cultural heritage.

2. **\*\*Environmental Impact:\*\***

- Specific concerns related to flora, fauna, and ecosystems affected by the proposed project.

3. **\*\*Community Involvement:\*\***

- The importance of engaging our community in all stages of the assessment process.

We request a formal consultation to discuss these matters further. We believe that collaboration will lead to a more informed and respectful approach to environmental stewardship.

Thank you for considering our perspective. We look forward to your prompt response.

Nga mihi,
