****Goals of Collaboration****

- To increase awareness of the benefits of Iyengar Yoga amongst diverse groups, including [specify target audience, e.g., seniors, athletes, beginners].
- To potentially launch a signature program that can be expanded based on participant feedback.

****Proposed Structure****

1. ****Workshops/Classes****: Offer a series of [number] classes/workshops scheduled for [dates/times], focusing on [specific themes or techniques].
2. ****Promotional Activities****: Jointly promote the events through our respective networks, social media, and local community newsletters.
3. ****Feedback and Growth****: Gather participant feedback to refine and expand future offerings.

I believe that this collaboration will not only enrich the lives of participants but also strengthen our organizations' commitment to fostering a healthy lifestyle in our community.
