Subject: Appeal for Re-evaluation of JEE Mains Scores

Dear Sir/Madam,

I hope this letter finds you in good health and spirits. I am writing to formally appeal for the re-evaluation of my JEE Mains score for the examination held on [exam date]. My registration number is [your registration number], and my application number is [your application number].

I believe that there has been an oversight in the evaluation of my exam paper as I was expecting a higher score based on my performance. I have thoroughly reviewed the answers I provided during the exam and have compared them with the official answer key released by the authority. I kindly request you to consider my appeal for re-evaluation, taking into account [mention any specific reasons or evidence, if applicable, such as discrepancies in markings]. I am confident that a thorough review will reflect my true abilities and efforts.

Thank you for considering my request. I look forward to your prompt response.

Sincerely,
