

****Project Title: Letter Jigsaw Puzzle Adventure****

****Objective:****

Create an engaging and interactive jigsaw puzzle that incorporates the letter 'J' in various creative ways.

****Materials Needed:****

- Cardstock or thick paper
- Jigsaw puzzle template
- Markers, colored pencils, or paints
- Scissors
- Puzzle glue (optional)
- Clear sealant (optional)

****Instructions:****

1. ****Design Phase:****

- Sketch various objects, animals, or themes that start with the letter 'J' (e.g., jellyfish, jam, jungle).
- Create a vibrant illustration featuring these elements, ensuring the letter 'J' is prominently displayed.

2. ****Puzzle Creation:****

- Print or transfer your illustration onto cardstock.
- Use a jigsaw puzzle template to outline puzzle pieces on the back of the cardstock.
- Cut out the puzzle pieces carefully.

3. ****Decorating the Puzzle:****

- Decorate each piece with additional creative designs, colors, or textures that relate to the theme of the letter 'J'.
- Optional: Apply puzzle glue and sealant for added durability.

4. ****Testing the Puzzle:****

- Assemble the jigsaw puzzle to ensure all pieces fit perfectly.
- Make adjustments as necessary.

5. ****Engagement Activities:****

- Organize a 'letter hunt' where participants find hidden 'J' items around a room or outdoor space.
- Create a game where players must put the puzzle together while sharing facts about each 'J' object.

6. ****Reflection:****

- Encourage participants to share their favorite 'J' object from the puzzle and why it resonates with them.
- Document the entire process and experiences for future reference.

****Outcome:****

Participants will engage with the letter 'J' creatively while developing fine motor skills and teamwork through puzzle assembly and interactive activities.
