Title: Interactive Letter Jigsaw Puzzle

Objective: Identify and assemble the letters to form a word or phrase.

Materials Needed:
- A digital or physical board to display the jigsaw pieces
- Letter pieces (cut-out or digital)
- Timer (optional for time challenge)

Instructions:
1. Mix the letter pieces randomly.
2. Provide a set of clues or a theme for the word/phrase.
3. Players need to work individually or in teams to assemble the letters.
4. Once completed, players can reveal the word/phrase.
5. Optional: Introduce a scoring system based on time taken or accuracy.

Example Puzzle:
- **Clue/Theme:** "Animal"
- **Jigsaw Pieces:** [A, T, C, C, A, T]
- **Assembled Word:** "CAT"

Reflection:
- Discuss strategies used to complete the puzzle.
- Encourage creativity in creating new words with leftover letters.

End Note: Enjoy your interactive jigsaw puzzle activity!
