****Title:** Letter Jigsaw Puzzle**

****Objective:****

To enhance letter recognition and teamwork skills among students.

****Materials Needed:****

- Printed jigsaw puzzle pieces featuring letters (A-Z)
- Markers or crayons (optional for customization)
- Timer (optional for a timed activity)

****Instructions:****

1. ****Preparation:****

- Print multiple sets of jigsaw puzzle pieces with letters on them.
- Cut out the pieces to create individual puzzles.

2. ****Introduction:****

- Briefly explain the importance of letters and their sounds.
- Show an example of how the jigsaw pieces fit together.

3. ****Group Formation:****

- Divide students into small groups (3-5 members).
- Distribute one set of jigsaw pieces to each group.

4. ****Puzzle Assembly:****

- Instruct groups to work together to assemble the puzzle.
- Encourage them to discuss the letters and their order while putting it together.

5. ****Sharing:****

- Once completed, each group presents their assembled puzzle to the class.
- Optionally, they can share a word or a short story using the letters they have.

6. ****Reflection:****

- Conclude with a class discussion about what they learned and enjoyed about the activity.

****Extension Activities:****

- Create words or sentences using the assembled letters.
- Decorate the puzzle pieces with drawings related to each letter.

****Assessment:****

- Observe group participation and collaboration.
- Check for accuracy in letter recognition during the presentation.

****Notes:****

- Adjust difficulty by selecting specific letters or providing hints.
- Incorporate different themes (e.g., animals, objects) for letter design.
