

```
```javascript
$(document).ready(function() {
 $('#myInput').on('input', function() {
 var regex = /^[A-Za-z]+$/; // Only letters
 var isValid = regex.test($(this).val());

 if (isValid) {
 $('#error').text('Valid input').css('color', 'green');
 } else {
 $('#error').text('Invalid input. Only letters are
allowed.').css('color', 'red');
 }
 });
});
```
```
