Dear [Child's Name],

Happy Birthday!

Today, we're celebrating YOU and all the adventures you've had this year! Just like in the exciting world of Five Nights at Freddy's, where bravery and fun combine, we're going to make this birthday unforgettable!

We have some amazing activities planned for you and your friends. There will be games, cake, and maybe even a spooky surprise or two, just like our favorite animatronics!

Remember, just like Freddy and the gang, it's all about teamwork and having fun. So, let's make sure to keep the smiles coming and the laughter loud!

Wishing you a day filled with joy, surprises, and lots of cake!

With lots of love,

[Your Name]
