Dear [Friend's Name],

I hope you're ready for a fun adventure! I wanted to tell you all about my visit to Freddy Fazbear's Pizza.

When I arrived, I was greeted by the friendly animatronics: Freddy, Bonnie, Chica, and Foxy! They were dancing and singing, and it felt like I was in the game! I even saw the prize counter filled with awesome toys. I heard the stories about the haunted parts of the pizzeria and decided to explore. I walked through the dark hallways, and my heart was racing! But don't worry; I made sure to keep my flashlight on the whole time.

Have you ever played Five Nights at Freddy's? It would be so cool to play it together! We could pretend to be security guards and see who can last the longest without getting scared!

Let me know if you want to plan a FNAF-themed game night! I can't wait to hear from you!

Spooky regards,
