Dear [Friend's Name],

I hope this letter finds you in a thrilling adventure! I couldn't wait to share my excitement about the upcoming FNAF movie - it's going to be a scream!

Imagine this: the lights dim, eerie music plays, and suddenly we're transported to the haunted halls of Freddy Fazbear's Pizza. I can already hear the animatronics coming to life! Are you ready to face some terrifying jump scares together? I suggest we bring snacks (and maybe a blanket for hiding behind) when we go see it!

Let's plan a movie night soon to get in the spirit. We can rewatch the game series and discuss our favorite animatronics (I swear Foxy has my heart!).

Can't wait for this thrilling experience! Don't forget your bravest face!
Best frights,

[Your Name]

P.S. I heard there might be some Easter eggs from the games hidden in the movie!
