

```
```javascript
$(document).ready(function() {
 $('#updateAccountForm').on('submit', function(event) {
 event.preventDefault(); // Prevent default form submission

 var formData = $(this).serialize(); // Serialize form data

 $.ajax({
 type: 'POST',
 url: '/update-account', // URL to which the request will be sent
 data: formData,
 success: function(response) {
 // Handle successful response
 $('#statusMessage').text('Account updated successfully!').css('color',
 'green');
 },
 error: function(xhr, status, error) {
 // Handle error response
 $('#statusMessage').text('Error updating account: ' +
 error).css('color', 'red');
 }
 });
 });
});
```
```
