

****Subject:**** Your JWT Authentication Token

****Dear** [User's Name],******

Thank you for registering with [Your Application Name]!

Please find below your JSON Web Token (JWT) for authentication:

\\

Authorization: Bearer [your_jwt_token_here]

\\

****Token Details:****

- ****Issued At:**** [issued_at_timestamp]

- ****Expires At:**** [expiration_timestamp]

To authenticate your requests, simply include the token in the Authorization header of your API calls.

If you have any questions or need assistance, feel free to reach out!
