Dear [Mom/Dad],

Happy Birthday!

Today is a special day, and I want to take a moment to tell you how much you mean to me. You are the best [Mom/Dad] ever! I love all the fun times we share and the lessons you teach me every day.

Thank you for always being there for me, for your hugs, and for all the yummy meals you make. I hope your birthday is as amazing as you are!

I made you a [gift/drawing/poem] to celebrate your special day! I hope you like it!

Wishing you all the happiness in the world today and always.

Love you lots!
