Dear Mom and Dad,

Hi there!

I hope you are having a super awesome day! I wanted to tell you about some exciting things happening in my life right now!

First of all, I finished my science project, and I can't wait for you to see it! It's all about volcanoes, and I made a mini-eruption that might just blow your socks off!

Also, did you know that I learned a cool new dance at school? Maybe we can have a family dance party this weekend!

I love when we have game nights together, and I hope we can play my favorite board game again soon.

Thank you for being the best parents ever! Love you to the moon and back!

Yours happily,
