Dear [Child's Name],

Congratulations on your graduation from preschool! This is such a special milestone, and I couldn't be prouder of you.

It feels like just yesterday when you took your first steps into the classroom, full of curiosity and wonder. Watching you learn and grow this year has been a joy. You have made wonderful friends, discovered amazing things, and shown us all the beauty of your imagination.

As you move on to the next adventure in kindergarten, remember to keep that spark alive. Continue to ask questions, share your laughter, and be kind to others. The world is full of possibilities waiting for you to explore.

Always know that you are loved and supported, no matter where you go. I can't wait to see all the incredible things you will achieve in the future.

Once again, congratulations on your graduation! Let's celebrate this achievement together!

With all my love,
